

Dear Friend,

We are thrilled to invite you to join us for **Harbor of Hope: An Evening of Empowerment**, CAPC's signature fundraising celebration taking place on **Friday, October 3, 2025**. This unforgettable evening under the stars will feature live Yacht Rock music, themed small bites, a signature cocktail experience, and stories of courage and transformation from those we proudly serve.

For over 40 years, **CAPC, Inc. (Community Advocates for People's Choice)** has empowered individuals with intellectual and developmental disabilities (IDD) to live, work, and thrive in their home communities. Through inclusive housing, supported employment, social recreation, advocacy, and post-secondary education programs, we help individuals with disabilities reach their fullest potential with dignity and independence.

This year marks an exciting chapter in our growth. In 2025, we expanded into Brea, strengthening our impact across Los Angeles and Orange Counties. From helping individuals secure their first job to providing safe housing options and lifelong learning workshops, your support fuels the life-changing services that CAPC delivers every day.

Funds raised through Harbor of Hope will directly support:

- The Framework for Hope Housing Initiative, offering safe, affordable, and supported housing for adults with disabilities
- The Workforce Pipeline & Employment Accelerator, connecting individuals with inclusive jobs and on-the-job coaching
- The expansion of our Lifelong Learning & Advocacy Programs, fostering independence, confidence, and connection

We invite you to be part of this transformative evening by becoming an event sponsor or contributing an in-kind donation. Your partnership will not only raise awareness but help expand our reach to hundreds more individuals and families who depend on CAPC's support.

Enclosed, you'll find sponsorship levels and event details. To learn more, please visit www.capcinc.org or contact **Natalie Saenz** at natalie@capcinc.org or (562) 693-8826

Together, let's raise hope, build community, and celebrate the power of inclusion.

CAPC, Inc. – Empowering Individuals. Building Inclusive Communities.

CAPC's Mission

At CAPC, Inc., our mission is to empower people with disabilities to live and work in their home communities. We are committed to creating inclusive, person-centered programs that promote dignity, independence, and full participation in life.

The Challenge

Over 380,000 adults with intellectual and developmental disabilities (IDD) live in California. Many face systemic barriers to housing, employment, and social participation. Without the right supports, individuals with IDD are more likely to experience isolation, unemployment, and homelessness. Families often struggle to navigate fragmented systems and secure long-term care solutions.

The Solution

CAPC provides innovative, community-based programs that remove barriers and unlock potential. Through Supported Living, Supported Employment, Resource Navigation, and Lifelong Learning, we offer a continuum of services that empower individuals to:

- Live independently or with minimal assistance
- Secure and retain meaningful employment
- Build social connections and life skills
- Access vital community resources and advocacy tools

Additionally, our Framework for Hope Initiative is expanding affordable housing opportunities with wraparound supports for people with IDD creating a sustainable, inclusive future.
