## Spreading **Holiday** **Cheer** before the *New Year!*

CAPC, Inc. annual Holiday Party was the perfect way to wrap up the New Year! Individuals and Staff came together in their festive Christmas sweaters and spirits to enjoy one last gathering before the holidays. Delicious tacos were served, there was a decorating table where you could get creative at, and we cheered each other on as prizes were won during the raffle. This celebration is a wonderful reminder of the community we share at CAPC, Inc. and adds to the beautiful memories created in 2024. We can't wait to create more memories together in the coming year!

# HEAR FROM OUR CONSUMERS AND STAFF

Jessica and her son are pictured together.

“As a single Mom of a developmentally disabled teenager, it has been an amazing experience working with our CAPC adult clients for the last year and a half. Through their eyes I get a glimpse into all the possibilities for adults with disabilities in our community past, present, and future. The accomplishments they have achieved throughout their lifetimes astounds me daily. It has truly been my pleasure to assist them all on meeting their individual goals, and I look forward to the new year of serving our clients. - Jessica V., DSP

## What do you look forward to in 2025?

“Thank you to the Senior Center for my Volunteer of the Quarter award. Thank you to the manager as well. I like volunteering because I love to work with the seniors. Looking forward to another year with them!”

“What I’m looking forward to in 2025 with CAPC is to further my education and continue looking for a volunteer job in my home community of Whittier. In 2025, I will plan and do a social activity three to four times per month with friends. I would like to try the following skill this year in 2025, I would like to try music in the new year”
